### TCAN Climate Mobilization Strategy Session

The **Toronto Climate Action Network (TCAN)** is holding a mobilization discussion meeting on Saturday, April 24th at 11 am, facilitated by Lyn Adamson. Contact Lyn directly at [climatefast@climatefast.ca](mailto:climatefast@climatefast.ca) and she will send the Zoom link to you. It will be an open discussion format, addressing "Who we are; our hopes & concerns", "What we are already doing" (so we see the landscape); "What we think is needed"; and a brief look at each level of elections for the unique role TCAN might play in each..

### New Report from Environmental Defense

Environmental Defense has just released their report "TOWARDS CANADA'S FAIR SHARE: NEW RESEARCH ON ACHIEVING A STRONGER CLIMATE TARGET". The modeling being presented here shows Canada can do the hard work required to achieve our fair share of carbon emissions reductions – 60% reductions by 2030. Not only is this worth doing, Canadians will be better off.

### Bill C-12: Getting Canada to Net-Zero

Canada's path to net-zero emissions is being debated at the federal level right now and there is a small window of opportunity to have your say. Bill C-12, the [Canadian Net-Zero Emissions Accountability Act](#), is the government's attempt to put this into law - it's a good start, but there is widespread consensus that it needs to be much stronger.
