WHAT ARE THE FEDERAL PARTIES CLIMATE RECORDS AND WHAT ARE THEIR PLANS?

Perhaps the following record of votes explains why they didn't show up at the GreenPac

debates. *Despite saying they have a climate plan their record shows otherwise.*

How did the parties vote on key environmental policies?

(Credit to Cathy Orlando of Citizens Climate Lobby for this record of votes).

In the past 2.5 years, parliamentarians voted on [Bill C230](#) – National Strategy to Redress Environmental Racism Act, [Act C12](#) – the Net-Zero Emissions Accountability Act, [C15](#) – Enshrining the United Nations Declaration of the Rights of Indigenous People under National Law, [C38](#) – The Oil Tanker Moratorium Act, and the [National Climate Emergency Declaration](#).
